University Information Sheet

The Université Jean Monnet (UJM), founded in 1969, is a **comprehensive university** enrolling some **17,000 students**, with **17,6% international students** from 115 countries.

The university is composed of **5 faculties** (arts, letters and languages, humanities and social sciences, law, sciences and technology, and medicine) and **4 institutes**: Management and Economy, Télécom Saint-Etienne, and 2 university institutes of technology (IUTs) in Saint Etienne and Roanne.

It is a **member of the “Université de Lyon”**, a state-run Higher Education & Research (HE & R) consortium of 20 Higher Education Institutes (HEIs) bringing together more than 120,000 students.

UJM offers about **300 national diploma programs from undergraduate to doctorate level** in Arts, Letters, Languages, Humanities and Social Sciences, Law, Economics and Management, Athletics, Health, Sciences and Technologies. It is involved in different national and international projects financed through different programmes such as :

- the EACEA Lifelong Learning Programme;
- the EACEA Intensive Programme;
- the EACEA Erasmus Mundus Programme, coordinating two Mundus masters : CIMET (www.master-erasmusmundus-color.eu) and MACLANDS (www.maclands.fr) and partner in Action 2 & 3 projects;
- the Mediterranean Office for Youth (*label awarded for 2 Masters*);
- the French “Initiative d’Excellence” programmes (*Equipex – equipments of excellence :UJM is part of 2 projects in Optics and in Health and Sports – ; Labex – laboratories of excellence: UJM is part of 6 projects in Mathematics, Multiscale Science, volcanic risk, acoustics, history of knowledge, territories and society, and coordinates the one on science of surfaces*);
- Joint Master programmes in English in Informatics, Media technology, Data Mining, Optics, Economics, Business Law

Shaping the university’s science policy are 500 faculty members and research scholars organized into thematic research units. 30 teams are active in the principal academic disciplines, 7 cross-disciplinary areas, and 2 very broad thematic areas (Chemistry and Health). Several laboratories are mixed units supported by two of France’s national research bodies, CNRS and INSERM.

The university has made a commitment to certain priority sectors related to three broad themes: Optics and Vision; Sports and Health technology; and Space, Change, Innovation, and Society.

UJM has 6 accredited doctoral programs: Health Science and Technology (in collaboration with ENMSE and ENISE); Literature, Language, Linguistics, and Arts (with Lyon 2, Lyon 3, and ENS LSH); History, Geography, Regional planning, Archaeology, Sociology, Anthropology, and Political science (with Lyon 2, Lyon 3, and ENS LSH); Education, Information, Communication, and Psychology (with Lyon 2, Lyon 3, and ENS LSH); Law (with Lyon 2 and Lyon 3); and Economics and Management (with Lyon 1, Lyon 2, Lyon 3, and ENS LSH).
